

**GREENMAN 2.0**

**RED MAN**

**RAINBOW MAN**

**BY CHU TIN CHUN**

One night, Greenman went out into the streets to find bad people to fight.

All the bad people were hiding, because another superhero was already there...

He met  
Redman!  
They quickly  
became  
friends  
because they  
both loved  
fighting bad  
people and  
keeping the city safe from crime.

After that, they  
met Rainbow  
Man.

Together, they  
were the best  
superheroes in  
the city.

One night, they met a bad man called, GMA. 'Ha! Ha! You can't kill me!', he said.

But they were a super team!  
They weren't afraid of GMA and  
his team of bad men!

“Green!” “Red!” “Rainbow!”,  
they shouted.

Together they fought GMA and his men.

Through teamwork, they won the battle.

They were so happy because they were rewarded with a lot of money.

Greenman didn't need to sleep in cheap hotels anymore.

Greenman bought a new car and upgraded himself to Greenman 3.0.

His new suit is amazing. These three friends moved to Hong Kong. Now Hong Kong has superheroes!
